"Selamat Datang!", meaning "Welcome" in Bahasa Melayu. Perhaps, one of the many reasons to visit our restaurant is for its variety of delicious food. Malaysian cuisine, there are just no limits to that term. What would you expect when the country is such a melting pot of cultures. The original settlers, the early going Malays with their staple diet of rice and fish, the ubiquitous Chinese and their imaginative blend of cuisine, the conservative Indians and their plangent traditional fare, the peranakan and their exquisite nigoya specialties, the Portuguese Eurasians and their delightful mélange of east-west cooking methods. The unique and authentic cooking styles and flavors of Malay, Chinese, Indian and other ethnic communities is a very fulfilling experience. Reading about it, however, is no substitute for savoring the actual thing. Malaysian food is an ever present embodiment of our diversity...and harmony. "Selamat Makan!" Thank you for coming to our restaurant and letting us share with you our passion for Malaysian cuisine.
